

GISSELL NATALIE BUSTOS BAQUERO

Junior Front-end Developer with a background in Forest Engineering

EXECUTIVE SUMMARY:

Since my first approach to software development, I have loved it, I've been trying to teach myself Html, CSS, and JavaScript for a while, and I have to say that I almost gave up, but fortunately, I decided to do the General Assembly BootCamp, and now I can picture myself programming for the rest of my life.

ACADEMIC SUMMARY:

Software engineer immersive
General Assembly Australia

UNIVERSITY FRANCISCO JOSE DE CALDAS
Forest Engineer: "UDFJC" Bogotá, Colombia.
